

Lakeview Blinds COVID Safety Plan

Updated 19/02/2022

Lakeview Blinds Awnings & Shutters is registered as a Covid Safe Business.
The NSW Government has updated the rules and regulations around renovations in homes.

We will be commencing renovations, repairs and maintenance in Newcastle, Maitland, Port Stephens, Central Coast and surrounding Local Government areas.

Works including renovations, repairs and maintenance (prescribed works) are allowed to commence provided the updated COVID-19 regulations. These include:

- In outdoor and indoor areas (from 27th September 2021) there is no cap on the number of workers at an occupied site.

In our showroom:

- As of the 18th February 2022, you will no longer need to check in into a retail premise.
- As of next Friday, 25th February 2022, masks will no longer be mandated. It is up to our customers to choose to wear a mask. We want our customers to feel comfortable at all times.

These details can also be found on the NSW Government website:
